ADMINISTRATIVE STAFF MEMBERS

Additional Roles

Security Officer

Summary:

Security Officers are responsible for maintaining a safe and secure environment by patrolling, monitoring surveillance equipment, and enforcing security policies and procedures. They play a critical role in preventing theft, vandalism, and unauthorized access to the premises.

Responsibilities:

1. Patrol premises regularly to prevent and detect signs of intrusion, theft, or other security threats.
2. Monitor surveillance cameras and alarms to identify suspicious activity and respond appropriately.
3. Secure all points of entry and exit, including doors, windows, and gates, to prevent unauthorized access.
4. Conduct security checks of personnel, visitors, and vehicles entering or leaving the premises.
5. Respond to emergencies, such as alarms, disturbances, or medical incidents, and take appropriate action to resolve the situation.
6. Write detailed reports documenting security incidents, observations, and actions taken.

7. Collaborate with law enforcement agencies and emergency responders as needed.
8. Enforce security policies and procedures to maintain order and safety on the premises.
9. Provide assistance and support to employees, visitors, and customers as needed.
10. Maintain a professional demeanor and appearance at all times while representing the security team and the organization.

Qualifications:

1. High school diploma or equivalent. (Some positions may require additional education or training.)
2. Previous experience in security, law enforcement, or military service is preferred but not always required; on-the-job training may be provided.
3. Knowledge of security procedures, equipment, and techniques for surveillance, access control, and emergency response.
4. Excellent observation and situational awareness skills to detect and respond to security threats.
5. Strong communication and interpersonal skills to interact effectively with coworkers, visitors, and emergency responders.
6. Ability to remain calm and composed under pressure and make quick and effective decisions in emergency situations.
7. Physical fitness and agility to perform patrol duties, stand for long periods, and respond to physical altercations if necessary.
8. Integrity and honesty to handle sensitive information and maintain confidentiality.
9. Familiarity with relevant laws, regulations, and industry standards related to security operations.
10. Valid security license or certification may be required depending on local regulations and employer policies.
